

ZARIOT

CONNECTED. PROTECTED.

CONNECTED

Competitive data rates

Multi-IMSI global connectivity
190+ countries, 650+ networks
No "lock-in" contracts

PROTECTED

Leading security

End-to-end encryption
Secure mobile network
Full data privacy

ENHANCED

Customizable portal

Simple, open APIs
Easy integration
Detailed analytics

Experience reliable global cellular coverage with an ecosystem of innovative IoT partners who bring straightforward, yet highly customisable functionality to power industry 4.0

Predictive maintenance (PdM)

Optimize resource utilization & extend equipment health

Monitor parameters to enhance performance analysis & improve maintenance forecasting

Predict, plan & take proactive measures before equipment malfunction or failure

Reduce operating costs by eliminating unnecessary rollouts & repairs

Supply chain visibility

Increase transparency & reliability of the entire supply chain

Customize reports via the portal with key metrics for greater control over resource usage

Improve quality management & security of all cargo to reduce business risks

Sense & respond to disruptions with extreme precision to increase efficiencies

OEE & TEEP optimization

Rapidly spotlight issues in equipment operations

Accurately record frequency & length of minor stops for total impact assessment

Facilitate a drill-down analysis to uncover & remedy underlying inefficiencies

Reduce startup losses & defects to better align upstream & downstream production

Easy integration

Extensive, open APIs for seamless integration

Reliable ecosystem

Full feature flexibility via in-house & partnership solutions

Simple management

Management platform supports multiple technologies

Greater control

Full ownership & operations of all core network functions

Fine-grained data

Real-time insights of devices improves reaction time

User-friendly

Simple & intuitive user experience with prompt support

MOBILE TECH

Best Mobile Authentication & Security Solution

ZARIOT
Global SIM with cloud protection

WINNER

Future Digital Awards

Gold Winner

eSim Innovation of the Year

Smart Cities & IoT Innovation Awards 2022

CC - GLOBAL AWARDS 2022

Proud to be a Winner

Category: **BEST IoT SOLUTION PROVIDER**

Winner: **ZARIOT**
